KEY GUIDE

MARYLAND

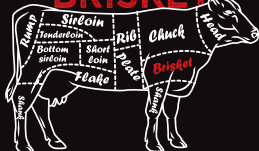

Maryland is a cut of chicken which contains both the drumstick and thigh.

RUMP

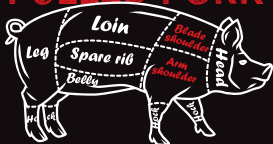

The rump is a boneless five-muscled primal that sits between the sirloin and topside.

BRISKET

Brisket is a cut of meat from the breast or lower chest of beef. Packs a lot of flavour when cooked low and slow.

PULLED PORK

The most common cut best for pulled pork is the collar butt. This cut is also considered the most flavorful part.

PORK BELLY

A fatty, but incredibly tender cut of meat, the belly is delicious when slow-roasted.
