# CUT GUIDE

## MARYLAND

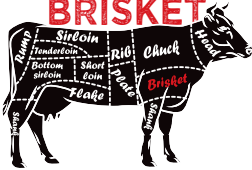

Maryland is a cut of chicken which contains both the drumstick and thigh.

## RUMP

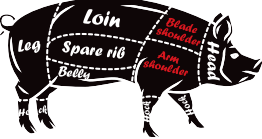

The rump is a boneless five-musced primal that sits between the sirloin and topside.

## BRISKET

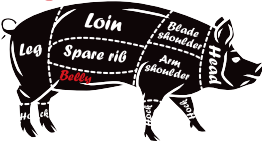

Brisket is a cut of meat from the breast or lower chest of beef. Packs a lot of flavour when cooked low and slow.

## PULLED PORK

The most common cut best for pulled pork is the collar butt. This cut is also considered the most flavorful part.

## PORK BELLY

A fatty, but incredibly tender cut of meat, the belly is delicious when slow-roasted.

## FISH

Our fish fillets are sustainably sourced to ensure the highest quality taste.
